

Dump Body and Trailer Configurations Custom Built to Meet Your Needs

Reliance and Sturdy-Weld build a complete line of Steel and Aluminum Dump Bodies for your Truck and Pup or Transfer System. Specify your body with tapered or straight sides, single- or double-wall construction, in tub or rectangular style. And when mounted upon the proven Reliance or Sturdy-Weld built chassis, you can achieve a maximum payload of up to 105,500 lbs. on 8-axes.

Truck and Pup

- Trunion mounted or tower mounted high-pressure telescopic hoists.
- Cab operated high-lift tailgate.
